

# Big Sky Region Certification Fee Schedule

---

Certification Level	Price/Section*	Price/Entire Test**
D1	n/a	\$25
D2	\$20	\$30
D3	\$25	\$40
C1	\$30	\$50
C2	\$35	\$60

\*Price/section applies if sections are split. Sections are "Horse Management" and "Riding". If multiple riding sections exist (ie, eventing tests), the price/section includes all riding sections. (see example below)

\*\*Price/Entire Test applies if entire test is taken in one day

Example: Molly is taking her full D3 eventing which has the following sections "Horse Management" "On the Flat" and "Over Fences". The total price is \$40. If she wanted to take her horse management this week, and finish the riding later in the year, the price would be \$25 for the HM, and \$25 total for both riding sections.

\*\*\* If there are more than 2 candidates at any testing level, more than one examiner is required.
